## **Terms and Conditions**

By completing the MSTS *Application for Fellowship Program Recognition*, you agree to be bound by the following terms and conditions.

Fellowship Program Recognition by Musculoskeletal Tumor Society (MSTS) represents recognition that a program has met the most current requirements as outlined *Rules and Procedures for MSTS Recognition of Fellowship Programs* document. To be eligible for consideration for *MSTS Recognition*, a program must complete an *Application for Fellowship Program Recognition* and submit it to the MSTS along with all requested supplementary materials and fees. Programs that fail to meet the standards will be removed from the MSTS Fellowship Match.

As the applicant, you understand that the MSTS reserves the right to update both the Application and *Rules and Procedures for MSTS Recognition of Fellowship Programs* document at any time. Revisions to these documents will take effect only after allowing programs a reasonable time in which to comply. All applicants will be reviewed based upon the current Application and Standards, regardless of application start date. Prior to submitting the *Application for Fellowship Program Recognition*, please be certain you are using the current version.

| please be certain you are using the current version. |  |  |
