

## Hatcher Fellowship

### Application Timeline

Announcement:	April 1 <sup>st</sup> , 2026
Applications due:	July 15 <sup>th</sup> , 2026
Notice of Award:	October 1 <sup>st</sup> , 2026
Funding Period:	Funding can be spent up to 2 years
Funding amount:	Up to \$8,500/Award
Number of Awards:	One Award Annually

### Application Requirements

1. **Application Cover:** Please complete this form, attach your study plan and budget and email to [info@msts.org](mailto:info@msts.org).
2. **Study Plan:** A 3-page detailed description of the duration, location, and specific method of the study period. Emphasize how the pathology knowledge gained will further your research and lead to benefits for patients. Include documentation from the director (mentor) of the chosen pathology training course or institutions. The candidate may attend highly regarded courses such as, but not limited to, Bone and Soft Tissue Tumor Courses in Madrid, Bologna, Padova, and other locations (<https://bstt-madridcourse.com>), American Association of Cancer Research Workshops or Conferences, Gordon Research Conference, and others.
3. **Budget:** A breakdown of how the fund will be used during the study period, including disclosure of other support sources (e.g., the MSTS ESI Enrichment Program).
4. **Knowledge Translation:** The winner will share their newly gained knowledge during the MSTS business meeting, MSTS Scientific Session, and MSTS Media. In addition, a mid-experience and end-of-experience report will be due, describing how the goals were met and how it enriched the awardee's academic pursuits. It is strongly encouraged to apply for institutional or external grant programs.
